### **You are invited to become a member of Old Scholars**

Old Scholars is a social group for friendly, vaccinated dogs and their owners who have completed a Scholars in Collars course. The aim of Old Scholars is to continue to socialise and reinforce your dog's Scholar's skills in a fun, safe environment. Old Scholars is also the perfect way of maintaining those friendships formed with other students, during Scholars courses.

**An annual membership fee of \$75.00 per dog is charged.** Your **membership fee provides you** with **notification of Old Scholars events** organised throughout the year, a copy of the **Scholars in Collars quarterly newsletter** and **attendance at Old Scholars events**. Memberships fall due 12 months from your initial membership.

Old Scholars events are held approximately every 4-6 weeks (with a total of 9 events being held per calendar year). These may include dog picnics, beach walks, tracking, agility, seek & retrieve games, off lead play, dog parks and more. Smaller groups may include café outings. Dog numbers may be limited at each event, therefore bookings will be required.

If you would like to join Old Scholars please complete the section below and return it along with your membership fee. Payment can be made by Cheque, Money Order or Pay Pal.
