You are invited to become a member of Old Scholars

Old Scholars is a social group for friendly, vaccinated dogs and their owners who have completed a Scholars in Collars course. The aim of Old Scholars is to continue to socialise and reinforce your dog's Scholar's skills in a fun, safe environment. Old Scholars is also the perfect way of maintaining those friendships formed with other students, during Scholars courses.

An annual membership fee of \$18.00 per household is charged. Your membership fee provides you with notification of Old Scholars events organised throughout the year.

Old Scholars events are held every 6-8 weeks. These may include dog picnics, beach walks, tracking, agility, seek & retrieve games, flyball, dog parks and more. Smaller groups may include café outings and wineries. Each event that you attend will be \$10.00 per dog, which will be payable on the day. Dog numbers will be limited at each event. Most events will have a limit of 10 dogs, therefore bookings will be required.

If you would like to join Old Scholars please complete the section below and return it along with your membership fee. Payment can be made by Cheque, Money Order or Pay Pal.

Yes, I would like to become a member of Old Scholars

Your name: _____

Postal address: _____

Email address: _____
